

CHATEAU LE VERDOYER ☆☆☆☆

8 NIGHT/9 DAYS PAINTING IN PERIGORD VERT

With Cees SCHENK

Chateau Le Verdoyer offers you a Painting Workshop on its beautiful estate.

The Workshop consists of 3 day parts. It is painted with acrylic paint and oil paint. At the end of the Workshop you have a self-painted canvas with a beautiful floral composition, 'made in France...at Château Le Verdoyer'. In principle the workshop will be held 'en plein air' around the Castle.

Who is Cees SCHENK ?

The NL artist has a lot of experience in giving workshops. he mainly paints in oil. He has mainly been painting in command lately. his subjects are landscapes, seascapes and flowers. His works can be seen all around the world. Nice that his works are for example in Europe, Canada, USA, Russia, Hawaii etc. He has won a number of prizes on eg the Keukenhof (Liss, NL) and the Bloemencorso (in the Bollenstreek, NL).

His motto is: do not judge the end result, but focus on the pleasure that painting itself provides. Then the end result comes naturally.
